CREDITS	140	DELIVERY MODE ENTRY	FULL TIME OR BLENDED LEARNING
DURATION	12 MONTHS / 1 YEAR	REQUIREMENTS	NQF 2 (Grade 10) with basic literacy and numeracy skills

CAREER PATH FOR A LIVESTOCK FARMER

This qualification is focused on the **management and production of livestock** for agricultural purposes. It covers the **principles of animal husbandry, nutrition, breeding, health care, and farm management** required to ensure productive and sustainable livestock farming. The qualification emphasises the **day-to-day operations of a livestock farm**, including feeding, handling, breeding, maintaining animal health, and ensuring compliance with animal welfare and biosecurity standards. It develops competence in managing livestock in a way that supports **efficiency, sustainability, and quality production** within an agricultural environment.

WHAT WILL BE INCLUDED IN OUR COST?

WORKPLACE MONITORING • EXTERNAL INTEGRATED SUMMATIVE ASSESSMENT
